Wellness for your sleep.

THE HEALING POWER OF ALOE VERA

The aloe vera plant has been used since ancient times for its various healing properties. Gel from the leaves can heal burns, cuts and soothe pain.

Nowadays, aloe vera is used world-wide in products made to heal sunburn, skin irritations, minor cuts and many other skin conditions. It is also widely used by the cosmetic industry for its positive effects on skin and hair.

ALOE VERA: WELLNESS FOR YOUR SLEEP

Aloe Vera is a textile finish using the natural gel from the leaves of the Aloe Barbadensis plant, which contains more than 200 nutrient rich substances.
